## FACULTY

These are the men and women who teach us, who encourage our aims and foster our ideals . . . Patient and, no doubt, long-suffering, they work unceasingly to make us better citizens, to lead us to heights of achievement which, save for their guidance, we might never experience in our lives . . . To them we owe a debt of gratitude.

THAT WE  
DEDICATE THIS BOOK

*John Arthur Carey was born October 27, 1897, in Leesburg, Ohio. Graduated from Wilmington State College in Ohio, he taught a number of years in Colorado before coming to Glendale in 1929.*

*Although woodwork was his favorite subject, he also taught Mathematics, History, and coached Junior-Varsity football and track teams. Mr. Carey was also very interested in the affairs of his community and was always an enthusiastic supporter of city beautiful drives. He was also a member of the local Ration Board.*

## WE GUIDE OURSELVES—AND THE FACULTY ADVISES

With two delegates from each class insuring that the whole school is represented, the Student Council works with the administration to solve student problems and to see that Glendale High is a better place in which to live. Mrs. Imes and Mr. Crouch are the faculty advisers and Mr. Ashe cooperates.

A meeting of the Student Council with President Manuel Aja in charge . . . Officers are Manuel Aja, president; Sonny Harelson, vice-president; Lorraine Cloud, secretary; Bertha Vizcaya, treasurer.

# NOW MEET OUR PRIDE AND JOY — THE SENIOR CLASS

## Class Officers:

BRUCE SHAW, President

SHIRLEEN ALLEN, Vice-President

DONNA BICE, Secretary

ARNOLD ONG, Treasurer

These are the apples of our eye, these seniors. They own the school by right of residence for four years. Now ready for graduation and faced with life itself, theirs is the decision to make—to continue their studies or to strike out for themselves now.

This senior class of Glendale Union High School, 141 strong, can truly be said to have upheld the traditions of their school and to have set high standards for succeeding classes.

They're young . . . they're strong . . . they're proud! They've done a job and have done it well. They are AMERICA in its teens!

THEY PLAY AND THEY PICNIC—  
THEY PLAY AND THEY WRECK CARS—  
SOMETIMES THEY EVEN WORK!

Backbone of the school and battle-wise veterans of two years, the sophomores can look back with pride on what they have accomplished. They've worked hard and they've played hard. Banding together as one proud unit, the class has left an impression of energy and capability on the school.

The class of '49 looks promising!

Sponsors who guided the sophomores were Mrs. Scoggins and Mr. Bice.

Manuel and Keith were named by the Arizona Republic and Arnold was added to the honor roll by the Tucson Star.

### The Story of the 1946 Football Season

#### DOUGLAS

Glendale started off her 1946 five-win, five-loss football season by defeating the Douglas Bulldogs. In the last fleeting minutes of the game when the score stood at 7-6 in Douglas' favor, Morrie Popoff made a sensational 65-yard dash to pull the score to 12-7 for a Cardinal victory.

#### PRESCOTT

The hard fought game played at Prescott with the Badgers was the Cards' first seasonal loss. Slowed by a sea of mud and hampered by the absence of two outstanding players, Keith Mayberry and Pete Tolmachoff, the Cards suffered a 6-0 loss.

#### NORTH PHOENIX

A 6-0 victory for the Cards over the North Phoenix Mustangs played in the Phoenix Union Stadium climaxed a drive that started from Glendale's 19-yard line where Manuel Aja threw a pass to Don Hildreth on the North High 25-yard line. Hildreth then went over for the only score of the game.

#### PHOENIX UNION

Glendale, playing for the first time in her new stadium, was defeated by the Phoenix Union Coyotes, 26-13. Phoenix scored two touchdowns in the first half. Glendale woke up in the third period for a score effected by an M. Aja pass to Blasdell. Phoenix again scored, followed closely by an Aja to Aja pass for our final touchdown. Breaking through our line, Phoenix again scored, writing a winning finish to the game.

#### YUMA

Yuma hit pay dirt in the final minutes of the first quarter to score the only touchdown of our losing battle with the Criminals on Glendale's field. The Cards' best drive came in the third quarter. Aja and Harper were the mainsprings in a series of drives that brought Glendale to the Criminals' two-yard line where the Cardinals were stopped by the Yuma defense and the Criminals took over.

#### MESA

Mesa's Jackrabbits, sparked by "Whizzer" White, defeated a scrappy Cardinal eleven which refused

to give up. Glendale had the Rabbits on fairly even terms except for the two times White took off on touchdown jaunts. Glendale's only score came when M. Aja passed to B. Aja. The Cards threatened repeatedly throughout the remainder of the game, but penalties at critical moments kept them from scoring.

#### GLOBE

The Globe Tigers scored on a blocked-kick in the early minutes of the third quarter and held off Glendale's aerial attack the rest of the way for a 7-6 victory before the Tiger homecoming fans. Glendale's only score came in the final minutes when Tolmachoff received an Aja pass and rambled 20 yards for a touchdown.

#### TEMPE

The Glendale Cardinals broke their losing streak before a small, cold-pierced group of spectators, defeating the outclassed Tempe Bulldogs, 16-7. Pete Tolmachoff, Emery Harper and M. Aja, taking the lead in this game, drove through with kicking power and passes.

#### TUCSON

The Cards, up to this time labeled with five losses, fielded one of the best teams on a high school field this season to stomp the Tucson Badgers, 21-7, on the Badgers' gridiron, knocking them out of the state title race. It was the first defeat suffered by the Tucson team on their own field in four years. The first touchdown was scored by Aja passing to Harper; the second, after intercepting a Badger pass on the Tucson 75-yard, when Aja passed to Morrie Popoff who was in the end zone ready to score. Our third and last came when Harper drove through a beautiful opening to score our last rewarding goal.

#### ST. MARY'S

To prove the game with the Badgers wasn't just luck, but honest-to-goodness hard fighting, the Glendale Cards finished the season with a bang by giving St. Mary's Knights a rough going-over, 27-0. The game flowed full speed with Hildreth, Tolmachoff, Coppinger and the two Aja's quick thinking and power to go with it.

The final touchdown made by Manuel Aja put the score to 27-0. The Knights no time during the game got any farther than the Cards' 28-yard line.

**JAYVEE BASKETBALL**

The Junior Varsity, coached by Walt Ruth, had a successful season, winning eight games and losing eight. Supplied with two good teams, the second as good as the first, the JVs were topped by Charlie Sapien, center, who scored 167 points. He was followed closely by Sonny Harelson with 163. Sine, promising young freshman, was injured in midseason.

The team scored 539 points for a 33.7 game average. The opponents scored 463 for a 29.0 average.

Left to Right, moving back—Patterson, Barker, Joy, Tubbs, Filer, Sapien, Coach Ruth, Warfel, Mohamed, Sing, Phillips, Okabe, Harelson, Hines, Jones, Eaglin.

Left to right: Hunsaker, Phillips, Coach Moorehead, Heatwole, Kalas. Rear, left to right: Edwards, Corbin, Bice, Tolmachoff, Nelson, McClellan.

**FROSH BASKETBALL**

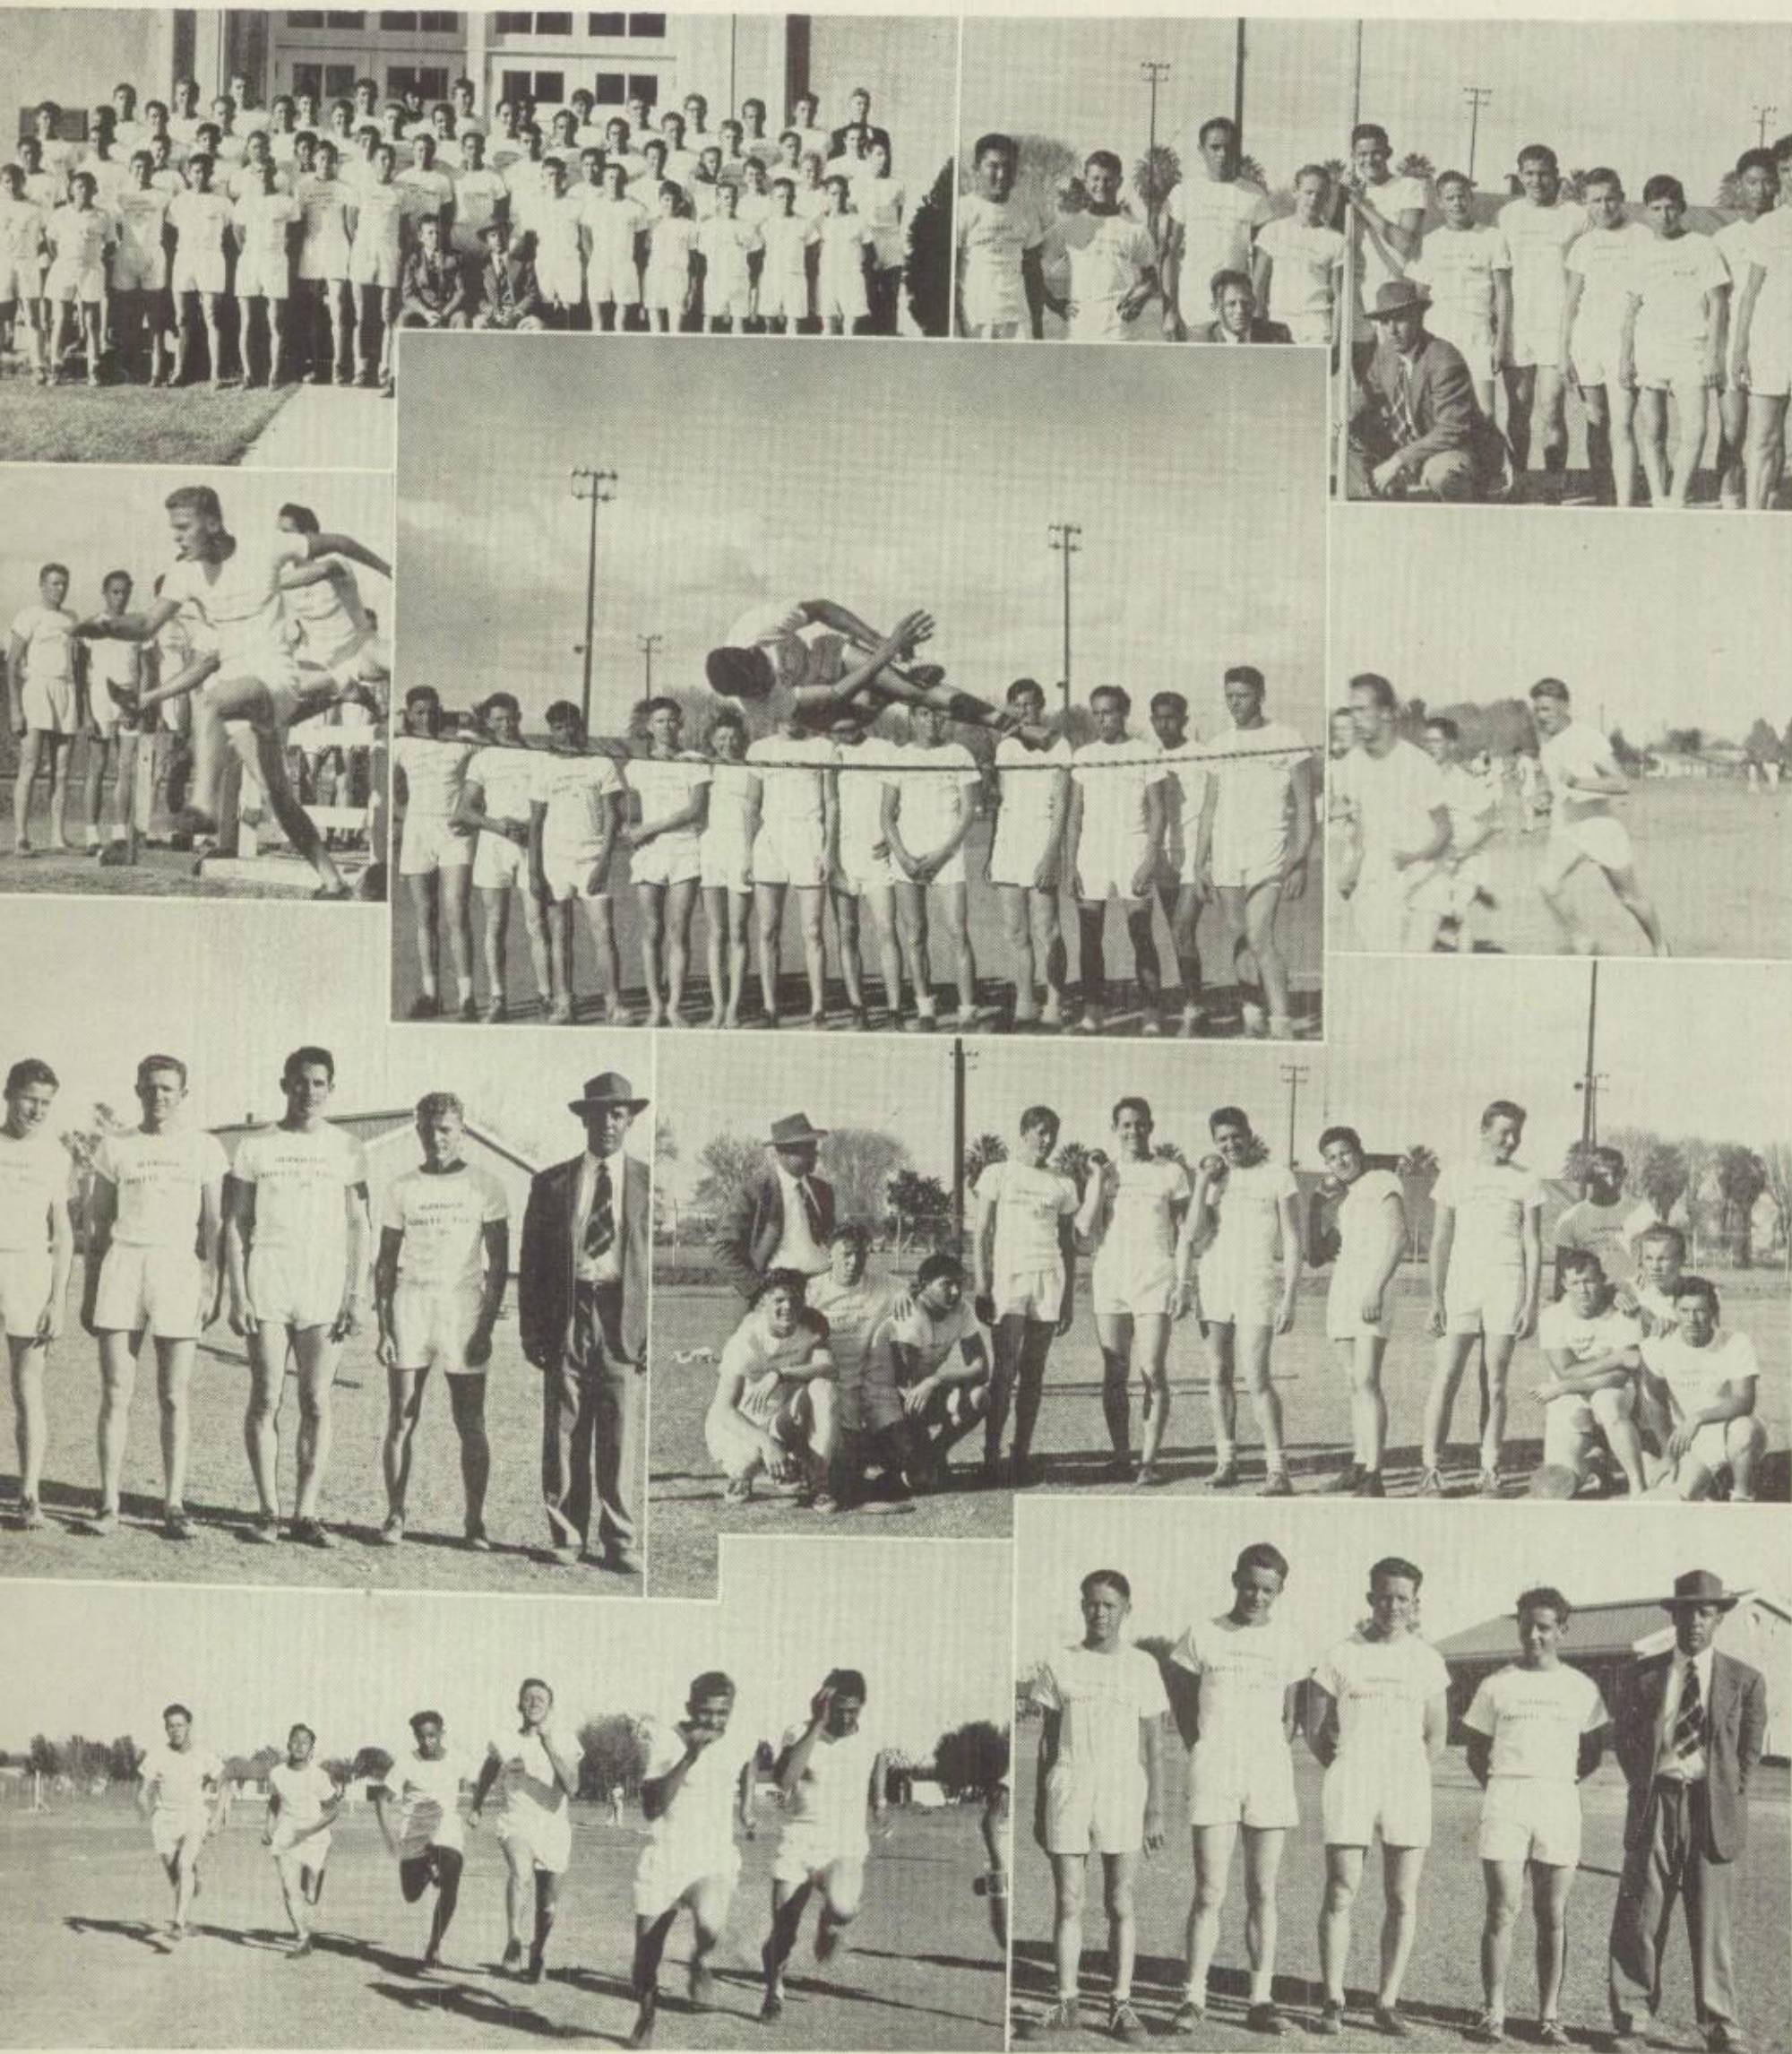

The Freshman basketball team, coached by Morris Moorehead, senior, fought a hard, uphill battle all season and wound up with a record of one win as opposed to 10 losses.

The boys tried hard and are to be commended for their never-say-die attitude. Showing promise, several of the boys may graduate to the Junior Varsity or to the Varsity next year.

# OUR BASEBALL 'CARDS'—

Named after a glorious St. Louis team—did not display a great deal of strength on their new baseball diamond. The boys, rookies, racked up a string of 14 consecutive losses. Coach Ruth, with an eye to the future, stressed development of potential talent for next year's squad. The team had the spirit; it fought hard; but somehow the winning punch was lacking.

## BASKETBALL

Taking all basketball honors, the fourth hour gym class was composed of, left to right, Jo Ann Morin, Patsy Skelton, Cruz Ramirez, Helen Mondo, and Charlotte Soto.

## DECK TENNIS

The fifth hour physical education class walked away with deck tennis honors.

The team was composed of, left to right, Betty Lou Brown, Margie Mondo, Bertha Vizcaya, and Earlene Smith.

Pitted against each other in round-robin tournaments the six girls' P. E. Classes compete fiercely to determine which class is superior in each of the various girls' sports.

Showed what persistent practice coupled with skill can do. Under the direction of Coach Swain, the girls competed in a ladder tournament against each other in order to win places on the team. Then the squad turned to the task of playing other schools and made a creditable showing. At the end of the season, Coach Swain was proud of her girls and said for the record, "We've a real team—and the other schools know it!"

Arlene Van Laar calmly looks one over even before Dorothy Manley lets fly.

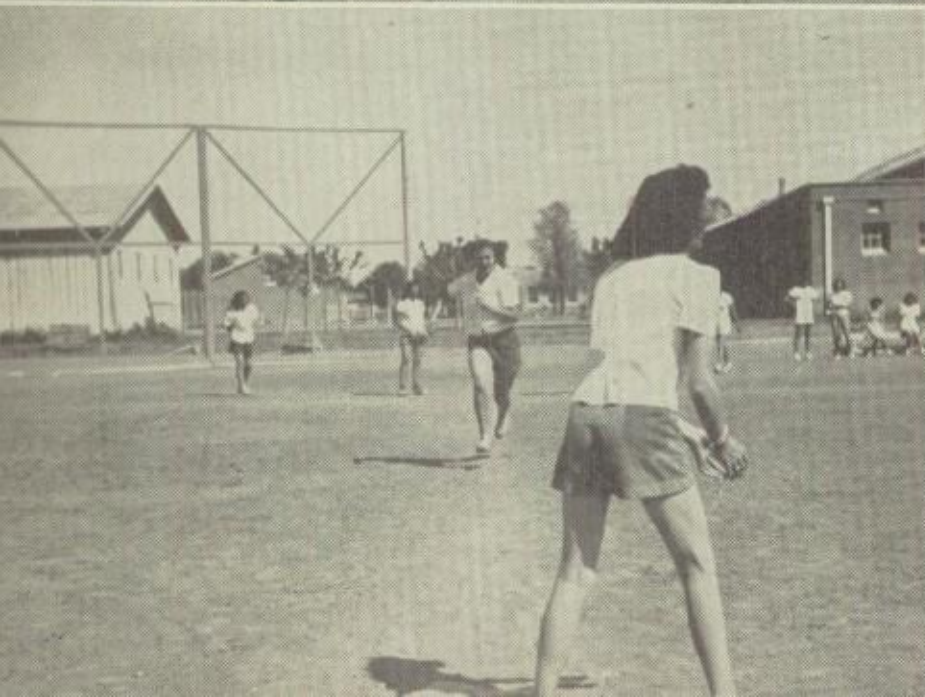

Now Cherry Broach gets ready to lambast the ball. Mary Margaret Haulot's ready to catch it should Cherry miss.

Dorothy Manley swings hard at a low one and connects as catcher Cherry Broach seems surprised.

Dorothy Dillier sets out for first as she hits to the infield. It looks as if she'll overtake the ball.

Shirley Christy at first waits hopefully for someone to get the ball to her as Malita Cobb comes pounding up the first-base line.

Organized in 1932, the Pep Club was immediately popular with all girls who wanted to promote school activities and provide organized support for sports. Today over seventy girls belong to this selfless group.

This year the club aided in the March of Dimes Drive, sponsored the Roundup Banquet for all athletes, held a dance, and aided various civic affairs.

The club is sponsored by Mrs. Clyda Jean Swain and requires that all members maintain good scholastic standing.

Dedicating itself to the noteworthy theme of "What Are Little Girls Made Of?" and to the welfare of every girl at Glendale Union High, the Girls' League has had an extremely busy school year. The organization, composed of all the girls in school, started off with the annual Student Mixer. Following this the club sponsored Co-Ed Week. Highlight of the year's activities was the state-wide convention held here with our girls as hostesses.

Other activities sponsored by this busy federation of girls were the Clash Dance; "Bobby Sox," a play; Every Girl's Banquet; Mothers-Daughters Tea; and numerous civic projects.

The Council, composed of the officers and two representatives from each class, is the governing body of the group. They make the plans for the various activities.

Glendale High can well be proud of its

# FUTURE FARMERS OF AMERICA

Devoting themselves to scholarship, leadership, supervised farm practice, cooperation, and community service, the Future Farmers, under the direction and guidance of Mr. Owen W. Allen, gain practical knowledge and experience in growing into the farm business.

Every member sets up and carries out a long time farming program, owns or controls his projects, keeps an accurate record of his enterprises, and carries on financial matters.

Activities in the line of recreation were numerous this year. The boys held an annual corn roast, a joint party with the F.H.A., a harvest dance, a father-son banquet, an outing, and sponsored a junior fair.

They're a good, useful bunch of boys, ready to help repair farm equipment and to aid in all community projects.

Striving to understand the art of homemaking and to prepare themselves for the thousand and one details that make up daily life, the Future Homemakers is a club consisting of well over sixty girls and is affiliated with the national organization.

At the end of a busy year, the girls had to their credit the "hosting" of the state convention of Future Homemakers, a box social, a share in the harvest dance, a hay-rack-ride, a Mother-Daughter Tea, the serving and preparing of the F.H.A. Banquet, initiations, and installation of officers.

# LIBRARY AND OFFICE WORKERS

Filling in to be helpful during their free periods these girls devote themselves to helping the high school function smoothly. Their pleasant faces greet visitors with a smile and an attitude of cooperation virtually shines forth from them in the library and in the main office and in the attendance office of the Dean of Women.

They know their way around the school and they have the satisfaction of putting to good use their knowledge of filing, bookkeeping, library, and typing.

Behold the mighty athletes! Striving hard, practising, working, training, these boys have won the right to wear the coveted "G" which denotes a superior athlete. Having earned their letters, they are then eligible for the Lettermen's Club, an organization dedicated to the furtherance of sports at Glendale High.

BOOTS GARRISON

Manuel and Boots were chosen by election as Cardinal King and Cardinal Queen for 1947, indicating that the student body considered them the two outstanding seniors in personality and ability to make and keep friends.

Manuel, ace athlete in football, basketball, and baseball, is student body president for this year.

Boots, as well as being Cardinal Queen, is an office assistant and editor of the 1947 Cardinal.

Runners-up in the election, still the tops in personality, these six boys and six girls—young men and ladies—were honored by the student body at the annual May Festival.

the members of the journalism classes presented a new idea in newspaper publishing at Glendale High. The Cardinal Hi-Lights, under the sponsorship of Mr. Alvin H. staff was composed, save for Editor Boots Garrison, of members of the journalism classes who performed the thousand-and-one odd jobs that go into the making of an annual. There was no appointed staff as such, except Boots and Lorena Hedgpeth, Business Manager; the editor and the sponsor, Mr. Levin, merely called on members of the journalism classes whenever they were needed. And, as you can see by the 1947 Cardinal, they responded nobly. To all of them, THANKS! And a special note of recognition to Lillian Schurter, Charley Allen, Helen Joy, and Wayne Darby.

has dedicated itself to the purpose of creating, extending, and maintaining throughout the school and community, high standards of Christian character.

Active in sports, the club had a basketball team entered in the YMCA League in Phoenix. The organization helped raise money for the National Youth Fund to build new YMCA buildings and HI-Y Camps in Europe.

The Glendale Hi-Y Club was led by two sets of officers this year. The organizing group, first half, was headed by Byard Falls, president; Wendell Crow, vice-president; Ted Filer, secretary, and Bill Furrey, treasurer. # THE BAND AND CHORUS

Launching into one of its most successful seasons, the band, under the direction of Mr. Ainslie C. Potter, was a source of pride for both students and faculty of GUHS. The group supported pep rallies, played at football and basketball games, marched in the rodeo parade, marched at the state fair, surprised the school with Christmas carols, and gave numerous concerts throughout the year. Highlight of the year's activities was the annual Spring Concert, combining both band and chorus, followed by the Valley Music Festival. Glendale played host to Peoria, Litchfield, Scottsdale at the latter event.

The chorus, joining with the band for several programs, notably the Spring Concert, was composed of 75 girls who showed ability and skill in handling intricate music.

# DRUM MAJORETTES

Organized by Louise Cromwell and throwing themselves with complete spirit into the intricacies of their art, the drum majorettes cut a neat figure through school activities this year.

At football games the majorettes distinguished themselves with trick marching formations. Their brilliant red and gold uniforms added color to any event in which they participated.

Sponsored later in the year by Mrs. Swain, the group started out on their own and wound up by being one of the brightest spots of the Glendale Rodeo Parade.

### Dance Tonight Is Sponsored By Hi-Lights

The first dance in what the newspaper staff hopes will be an annual series will be held tonight at the Civic Center under the auspices of Cardinal Hi-Lights. The dance will start immediately after tonight's basketball game with Ajo.

Theme of the affair which will feature the music of Faith Harris and her orchestra will be journalism and a surprise is in store in the way of decorations for those who attend.

The dance will be open to the students of Glendale Union High and to the public. Admission has been set at 50c per person and stags are allowed to come.

Proceeds of the evening will be used to support the Cardinal Hi-Lights fund to insure the continuance of an excellent high school paper.

Chaperons at the dance, which has been approved by the Student Council and the Mothers' Recreation Club will be Mr. Tammen and Mr. Levin.

### Annual Portraits Completed

Completion of portraits for the 1947 Cardinal marks another step forward toward its publication in May. Faculty and club pictures will be taken immediately after the Christmas holidays.

Contracts have been made with Republic and Gazette Engraving Company, McGraw Commercial Printery, and Arizona Trade Bindery for the mechanical work involved on the book.

The staff has chosen an unusual theme for this year's edition and promises the finest yearbook in the history of Glendale Union High school.

### GAA HIGH-POINT AWARDS ARE WON BY SCHURTER, THOMAS

G.A.A. awards were distributed to girls who had earned their letters, chevrons, eight-hundred point awards and gold honor pins, in the regular meeting held Thursday, December 12, by Mrs. C. J. Swain, sponsor.

Those awarded 800-point honors were: Betty Gilbert, Carol Mairle, Lodine Robinson, Everal Shahan, and Patsy Randolph.

After a girl has earned enough required points she receives a letter, recently changed from a red to a gold "G". Jackie Pitts, Elizabeth Huerta, Melba Jo Adams, Marian Crouch, and Jo Ann Ridgeway received these letters.

A still higher award is the chevron, which is given for every 200 points earned beyond the letter.

Those girls receiving five chevrons were: Pat Goodloe, Lillian Shurter, Betty Thomas. Four chevrons were earned by: Shirleen Allen, Lorraine Cloud, Norma MacDonald and Margie Mondo.

Betty Lou Brown, Betty Martin and Florence Slack received three chevrons and Elizabeth Huerta two. Melba Jo Adams and

### Tucson Boys' Choir Effects Quick Costume Changes In Program Given December 7 In GUHS Auditorium

By Jane Murphy

Dressed in white capes and blue skirts with white collars and blue bows the Tucson Boys' Choir opened its concert here December 7, 1946, with "Ye Watchers and Ye Holy Ones," a German melody of the 17th century.

The program was divided into three parts, each part having a different costume. Schubert's "Ave Maria" and Mozart's "Alleluja" were the most familiar of the religious classics which ended the first part of their program.

As soon as the curtains closed, the 28 boys, whose ages were from 8 to 16, rushed offstage and down to the dressing room where they changed clothes for the second part of their program. They returned in white trousers and blue sweaters with their emblem of a bright green saguaro cactus

with "Tucson Boys' Choir" written across it. They sang "Pale Moon" by F. K. Logan, "Eric Canal", an early American work song, and "Czecho-Slovakian Dance Song", arranged by John O'Shea.

At the end of these songs the curtains closed again and the boys changed their clothing a second time. They threw their blue sweaters in a chair offstage and when the curtains were opened

### GIRLS RECEIVE TYPING CLASS AWARDS

The following second year typing students are the first to receive certificates of achievement in typing:

Colleen Hurst, 60 net words per minute—3 errors; Jane Murphy, 50 net words per minute, 2 errors; Marian Crouch, 50 net words per minute, 5 errors; Martha Sutter, 47 net words per minute, 3 errors; Mary E. King, 43 net words per minute, 4 errors; Ruth Hofmann, 42 net words per minute, 4 errors.

The certificates are awarded on the basis of the number of net words typed per minute on a ten minute timed writing. There is a limit of 5 errors with penalty of ten words deducted for each error.

A white certificate is awarded for 55 or more net words per minute; a red one for 50 net; a green one for 45 net; and a yellow one for 40 net.

### Classroom Teachers Association Has Full Faculty Enrollment Here

The Classroom Teacher's Association, organized last March to improve teachers' working conditions, school conditions, and to assist in community service, today has a membership of 100% of the Glendale Union High faculty, according to President Owen W. Allen, Vocational Agriculture teacher. This organization, which meets the first Tuesday of each month at the school, is working to get smaller classes so that each student may have closer supervision. It is also working on a

plan to obtain closer cooperation with parents in school activities. The Constitution Committee completed its work last meeting and will present the Constitution for adoption at the January meeting.

Officers of the group for the current year are: Mr. Owen W. Allen, president; Mr. Thomas P. Tammen, vice-president; Mr. John M. Koerner, treasurer; and Mrs. Faye Scoggins, secretary. Mr. Tammen is also delegate to the state convention.

for the last part of the program they were wearing white shirts and trousers with either blue or red sashes around their waists.

They sang "Indian Love Call" by R. Friml, "The Last Round-up" by Bill Hill, which featured a sextet—Gene Beach, Bobby Mathews, Peter Roberts, Arthur Brinkmeyer, Gordon Hon, and Donald Walker. The program concluded with "Funiculi, Funiculi" by Denza and "This is My Country" by D. Raye and A. Jacobs. Eduardo Caso, director, said the boys would broadcast over N.B.C. December 23, and over KPHO December 24 at 10:15 P. M. He added that they would be going to the coast soon to make records.

The piano accompanist was Mrs. John Schenck, graduate of the University of Chicago Music School.

### STUDENTS ENTER HERE FROM ALL OVER U. S.

The Glendale Union High School enrollment has been increased during the past several weeks by 14 new students, representative of many parts of the United States.

They are: seniors: Dolores Horn, Oakland, Calif.; John Cubbage, Marengo, Ohio; and James Stout, Marengo, Ohio.

Juniors: Bill Foster, Santa Paula, Calif.; Johnny Osborn, Phoenix; and Marilyn Stout, Marengo, Ohio.

Sophomores: Jim Reese, Hobart, Okla.; Thomas Cubbage, Marengo, Ohio; Mary Ann Martin, Beaver City, Nebraska; and Marion Campbell, Pittsburg, Pennsylvania.

Freshmen: James Frey, Prescott, Arizona; Robert Brown, Oakland, Connecticut; Charles Stout, Marengo, Ohio; and Russell Rogers, Estes Park, Colorado.

### CHRISTMAS ACTIVITIES START WITH ASSEMBLY TODAY

Chorus, Choral Reading Are Highlights of Program; Will Be Repeated On Sunday

The second annual Christmas Vespers will be presented by the GUHS Girls Chorus and Speech classes at the First Baptist Church Sunday, December 22, at 3:00 o'clock.

The program will open with an organ prelude by Ellen Wendell and a group of carols sung by Janet Bennett. Following this will be a choral reading, "The Christmas Story," directed by Mrs. Lale, speech instructor, and familiar Christmas carols sung by the chorus.

The second part of the program will open with the Pastoral Symphony from Handel's MES-SIAH, played on the organ by Ellen Wendell. The Christmas numbers from Handel's MES-SIAH will follow, sung by the Girls' Chorus, under the direction of Mr. A. C. Potter. Solo parts will be taken by Lorraine Ray, Cora Ellen Maxwell, Marilyn Newcomb, Ernestine Ware, Rosemarie Potter, and Evelyn Woods. Accompanist will be Marie Barker.

This is a community Christmas program to which everyone is invited.

Featuring a chorus of 75 voices singing Christmas carols, the Christmas Assembly to be held today at GUHS will be under the joint direction of Mrs. Lale and Mr. Potter.

The songs will be followed by another chorus of equal size giving a choral reading of the Nativity from the Bible.

All students in the program are to carry red books and pom-poms. The girls will be dressed in white and the boys in dark suits.

The program will be presented again Sunday, December 22, at 3 P. M. at the first Baptist Church for the benefit of parents and friends who might not be able to attend the school presentation.

### Schedule . . .

School will be dismissed today at the regular time for one of the longest Christmas holidays on record, seventeen days. Classes will start again at 8:50 Monday, January 8, 1947.

The office staff will continue work through the holiday period.

### Girls' Riding Club Plans Activities Elects Lois Craig President

The "A Caballo Club," a girls' riding club, sponsored by the Amvets Auxiliary, held their first meeting at the home of Mrs. Renner, Monday evening, November 18. Future plans were outlined and officers were elected as follows:

lowes: president, Lois Craig, vice president, Louise Craig; secretary and treasurer, Lollie Jones; and publicity manager, Beverly Moulton.

The club met again Friday, November 22, and members were divided into two groups, beginners and advanced. Each group will ride twice a month.

The advanced group went on their first ride Saturday, November 23. Although they got caught in the rain and were saddle sore all the next week, they said they all had a good time. Advanced members are—Lois and Louise Craig, Betty Owens, Martha Nelson, Jackie De Bolt, Elinor Hooper, Beverly Moulton, Jean and Virginia McClure, and Lollie Jones.

The beginners, Betty Rowland, Priscilla Niclet, and Joyce Gilbert, are learning how to mount and dismount under the supervision of Mrs. Adams. They rode Saturday, November 30.

### Drum Majorettes To Get Letters

Glendale's drum majorettes, who caught the attention of the crowd with a flashy display at the St. Mary's game, will be in line for letters this year if they perform at the basketball games. A gold letter G with a baton through it is the symbol. Although the letters are small and made of felt this year, a promise has been made that larger ones made of chenille will be given out next year.

On Tuesday, December 10, the majorettes started tumbling practice for the basketball games and they will practice on Tuesdays and Wednesdays from now on.

## As We See It

### The Assembly Situation Rises To Confront Us

Although there has been no official announcement at the time of writing, it is rumored about the school that our assemblies are due for some drastic changes. The reason as stated by the teachers and members of the Assembly Committee is that the students are not conducting themselves as it is believed they should while attending assemblies.

One of the suggestions offered as a remedy for this situation is that all assemblies including pep assemblies should be discontinued. It is easy to see the effect this idea would have on the morale and school spirit of the students.

Another suggestion is that all students, regardless of their classification, be seated in alphabetical order. The objection to this idea is that conflicts might possibly arise between students of the different classes and that there aren't enough seats in the auditorium to do this.

One other suggestion is that the students should no longer have the privilege of sitting where they choose. They should attend the assemblies in a group consisting of the members of the class they have immediately before assemblies. Furthermore, the teacher of the class will be required to take roll and any student absent will have to secure an excuse before he will be admitted to the next assembly program. The obvious objection to this plan is that it would be very burdensome and annoying to the teachers and students. Another objection is that if students were absent during an assembly they would have to carry around their excuses for a week or more until there was another assembly. In other words the assemblies would be reminders to the students of their grammar school days when they marched from room to room under the watchful eye of their teachers.

It has been observed that most of the students are very much against all of the proposed solutions to this situation. It has also been pointed out that most students, outside of those few who are on the various councils and committees, know very little about what is going on around the campus. This was proven by the fact that very few have any idea that anything was being planned in connection with it. It was also learned that many of the students also have many sound and sincere ideas concerning this problem.

Among other things it was suggested by one student that those who don't enjoy the assemblies and would rather not attend them should be permitted to go to study hall, which would be kept open for them. Another idea suggested by many was that the situation be made public before the entire student body. By doing this everyone would know about the problem and it is believed that there would be much more co-operation and we would be able to have bigger and better assemblies.

— C. L. Allen

### A Christmas Greeting On Behalf of the Faculty

It's seldom that a journalism adviser sticks his nose into the editorial columns of a newspaper; but, on the invitation of the staff and speaking in behalf of the faculty, we want to wish all of the students the happiest of Christmases and New Years.

I could give you "the old gaff" about resting up over the holidays for increased effort next year, but I won't. You just go ahead and enjoy yourselves, relax, and have a good time. You've worked, if you've been true to yourself, pretty hard for almost four months. These seventeen days will help relieve the tension that comes with constant application.

If you've been foolish enough to loaf these past months, however, here's an opportunity to do a little leisurely "loving" and catch up with your work—a sort of resolution to do better time, practically applied.

At any rate, whether you relax or work a little, have a good time. May the New Year bring you happiness.

—A. H. Levin

CHARACTER

By Byard Falls

Byard Falls was born in Santa Rita, New Mexico, December 11, 1929. Whatever possessed his parents to bring him to Arizona is more than any one will ever know; it is probably because no other state would accept such a funny looking thing.

Byard is a very bright boy. No one knows, but it is generally thought the reason he stays in bed until after the sun is up so the sun can come up.

It could be a proven fact that he never ditches or gets into trouble, but it isn't. Mr. Levin is his favorite teacher, and probably he is Mr. Levin's pet peeve.

Byard is a blond haired, blue eyed senior. You can recognize him by his walk as he is slightly bow-legged.

When people see him at school the polite ones just smile, but there are still those who laugh out loud, and also those who ask him, "Is he going to school or just visiting?"

He has two pet peeves, his nick

name "Fireballs," and people he never has seen before who walk by and say, "Hello Fireballs."

Byard's favorite song is one that he sings just once a year. It is "School's out, School's out, teacher let the little mules out."

He is also a very good natured boy. He can take almost any joke for him or against him. He even went to the extent of taking the part of a dumbbell at one of the school assemblies.

You will see him anywhere you see a certain sophomore girl. His hobby is keeping her in a good humor.

The Scotchman awoke one morning to find that his wife had passed away in the night. He leaped from his bed, ran out into the hall, and called downstairs to the cook: "Mary, come to the foot of the stairs quick!" "What is it?" she cried. "Don't boil but one egg for breakfast," said the Scotchman.

## 'SILENT NIGHT' CAROL IS OLD FAVORITE

"Silent Night", a great Christmas hymn, was written in the small village of Abendorf, Bavaria, on December 24, 1818.

The parish priest, who was Father Josef Mahr, wrote a poem in the honor of Christmas Eve. (Which is the most holy of all nights to the German people.) He gave his poem to the church organist, Franz Gruber, who was inspired by the simple beauty of the poem and composed a melody for the words in a few hours. It was decided to use the new hymn at the Christmas service that eve.

All was well until it was discovered that evening the organ was out of commission. So the people of Abendorf heard the new hymn for the first time sung as a vocal duet with a guitar accompaniment. Father Mahr sang the tenor lead and Franz Gruber sang bass and played the guitar. From this humble beginning "Silent Night" has become the foremost Christmas carol of the world.

CARDINAL HI-LIGHTS

## From the SIDELINES By Kerns

In a poll by the Sports Department of the Cardinal Hi-Lights for the 1946 All-American team, judged on past performances, two players, Davis and Blanchard of Army, All American last year, were chosen as co-captains of this year's team.

The backfield has Lujack of Notre Dame at quarter back, Trippi of Georgia and Davis of Army at half back, and Blanchard of Army at fullback.

The line consists of Baldwin of U.C.L.A. and Bechtel of Texas at ends, Connor of Notre Dame and Amling of Ohio State at tackles. The guards are Humble of Rice and Agase of Illinois. Scott of Navy is at center.

### All-State Team

A first and second string All-State was also chosen as to appearance in games played against Glendale and games that were been played with other schools.

The backfield has Dawson of Douglas and White of Mesa, halfbacks; Carey of Tucson, fullback; and Manuel Aja of Glendale, quarter back.

The line is led by Mayberry of Glendale and Lillywhite of Douglas at ends. Tackles are Armstrong of Mesa and Peny of Yuma. Guard of Glendale and Hammer of Phoenix Union are at guards, and Workman of Mesa at center.

### Second String

The second team consists of Headington of Yuma at quarterback; Campbell of Prescott and Schell of Coolidge, halfbacks; and Hazelton of Phoenix Union at fullback.

The line has Popoff of Glendale and Barela of Globe at ends. Guards are Jacob of Tucson and Pomeroy of Mesa. Robinson of Glendale is at center.

### Selectors

All members of the Hi-Lights Sports Staff—Manuel Aja, Welton Kerns, Pete Tolmachoff, and Horrie Popoff—participated in the poll. Selection of the All-American backfield was relatively easy, what with Davis, Blanchard, Lujack, and Trippi having made almost every All-American team this year, so outstanding were they.

Selection of the All-American line was rather difficult and the selectors tried to avoid being influenced by publicity stunts of the various colleges who had consistently "plugged" their boys all year.

### Picking 'Em Out

The All-State picks differed slightly from the teams chosen by the Phoenix and Tucson newspapers. Trying hard to be impartial, the sports staff still could not see how the team would be complete without Ong at guard.

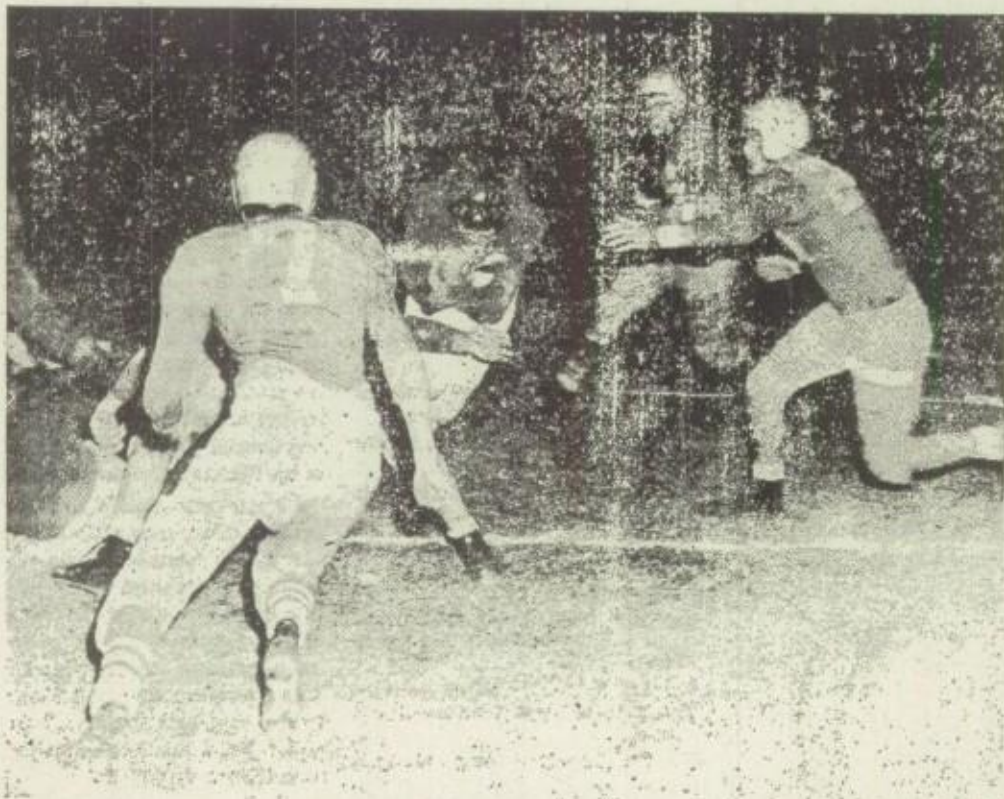

In addition to the selection of All-American and All-State teams, the Hi-Lights also chose the Football Surprise of the year Navy's amazing showing against Army in a spectacular battle which ended with the Naval Academy almost pulling what would have been the upset of the century.

## End of the Season

Manuel Aja lowers his head and plows away through St. Mary's territory in the final game of the season. Glendale won, much to the surprise of St. Mary's, by a score of 27-0. This is Manuel's last year on the football squad and the St. Mary's game was his last conference tussle. Manuel also starred in the North-South clash.

## NORTH UPSETS SOUTH, 7 TO 6, AT TEMPE

An all around team proved, Saturday night, December 6, to be better than three or four stars when an underrated Northern team defeated the vaunted South-erners 7-6, before 11,500 people at Tempe in Goodwin Stadium.

The line was the big difference in the game with the North having a more balanced forward wall, strung between Keith Mayberry of Glendale and Gil Barela of Globe.

The South started off in an impressive fashion, after taking the kickoff. Lee Carey quick kicked on the third down, to the North 18, catching them by surprise. After failing to make a first and ten, Aja kicked out on the 46. A pass brought the ball to the 23 yard line. On the next play, White broke through left tackle and run 23 yards to the end zone. Carey's attempted pass was no good.

In the second quarter the North threatened to score after blocking a kick and recovering it on the South fifteen yard line. After the fourth pass failed to produce a score, the South took over.

The North took over at the beginning of the second half. After

recovering the ball and driving it back past the mid-field strips, Aja kicked to the South twenty. Three plays later Carey fumbled and Bill Hammer recovered. With Aja, Hazelton, and Anderson carrying the ball to the ten yard line, Hazelton then threw a beautiful pass to Aja in the end zone. Aja then made a perfect place kick to set the North out in front 7 to 6.

The South were never given a chance in the rest of the game to produce a scoring threat. The kickoff set up another touchdown threat for the North, when Hammer recovered the ball, after its being touched by the South, on the forty yard line. With Aja and Hazelton advancing the ball to the fifteen yard line, a series of setbacks offset their chance for another touchdown, after a 25 yard pass to Osborne failed to make up for the lost yardage.

## Method of Selecting North-South Players Limits Each Team To Three Eligible Footballers

In the final selection of players for the second annual North and South game, three players were elected from Glendale. Manuel Aja, All-State half-back; Keith Mayberry, end; and Don Copping, tackle, received the highest votes of the coaches from the Cards eligible players.

In order to give a player from a small school an opportunity to

have the usually fast-breaking junior forwards under control. Lorraine Cloud was high point scorer for the seniors with four points.

In the freshman-sophomore game, Barbara Frost led the sophomores to a 14 to 8 victory over the freshmen by scoring 8 points. Billie Jean Gibson was a high scorer for the freshmen.

Slack, Goodloe, and Matsumoto each tallied 2 points to defeat the sophomores 6-3 in the sophomore contest. The sophomores' only scores were made by three free throws.

The juniors defeated the sophomores, 23 to 5, led by Melba Jo Adams, junior forward, who only played the last half of the game, with 12 points. The half time score was 6 to 5 in favor of the juniors.

represent the North or South a limit of three players from a school has been set as a ruling. Many deserving players have been kept out of the game although they may have received more votes than players from other schools.

This rule has affected several schools as it has the Glendale players. Arnold Ong, guard, an All-State selection in the Arizona Daily Star, and a star performer all season was eliminated from the contest. Emery Harper, a hard driving, blocking, and tackling fullback and Bill Robinson, center, one of the best line backers in the state were also affected by this rule.

## Girl's SPORTS

By Goodloe

The Girls' P. E. Class tournament got off to a blazing start with a 21-21 tie between Adams' fifth-hour class champs and Robinson's fourth-hour champs. Adams led the scoring with 17 points. Robinson was second highest with 12 points. In the play off, fourth-hour defeated fifth hour by one basket.

Barbara Frost's third hour team fell to Alvarado's second-hour team 20 to 12. Alvarado and Avilla both on the second hour team tied for high point honors with 10 points each. However, McDonald, playing guard for the second hour team crew, was the outstanding player of the game.

This tournament will continue for at least two more weeks and anything can happen.

### Football

We told you we would and we are!

Bright and early Monday morning the Girls' P. E. classes, under the direction of Mrs. Swain, dashed out through the snow banks to learn the fundamentals of girl's touch football. Although girls' touch football differs greatly from boys football, there are many similarities and through playing in the P. E. classes, girls should come to have a better understanding of boys' football games.

### Show Ability

So far the girls seem to have developed the technique of passing until we expect some of the girls to substitute for Aja. And if the boys want to see something flashy, come out and watch the 5th hour sprinters.

All the classes are pretty good at single reverses, double reverses, quarter back sneaks, and end runs but you should see Shirleen Allen on a spinner play. Sometime in the near future the girls hope to put on a football game for the entire school.

## PURE Corn

The lecturer tried to make a telling illustration: "If I brought a donkey a pail of water and a pail of beer, which would he drink?"

"The water," came a woman's voice from the front row.

"And why would he take the water?" asked the lecturer.

"Because he's stupid," came a man's voice from the rear.

"So you desire to be my son-in-law?"

"Heck, no! But if I marry your daughter I don't see how I can get out of it!"

A garlic or limberger cheese sandwich is two pieces of bread in bad company.

Barber looking at young man's sleek hair: "Do you want it cut or just change the oil?"

Two soldiers lost their way. Said one: "We must be in a cemetery. Here's a gravestone."

The other lit a match and replied: "Yeah, he lived to a ripe old age of 180."

"What's his name?"

"Some guy named Miles from Fresno."

## BASKETBALL TEAM HAS SPLIT SEASON SO FAR THIS YEAR

Yuma Game

The Tucson Badgers trounced the Glendale Cardinals 40 to 17 in a basketball game played at Tucson, December 6, before an overflowing crowd of 2500. The game was the first for Tucson and the second for Glendale.

The game started out as a defensive duel and at the end of the first quarter Tucson led 4 to 2. In the second quarter with the Badger height and Smith, Badger forward, going wild, the Badgers took a good lead by getting most of the rebounds. The score at the half was 21 to 7.

In the last quarter the Cards changed their defense and held the Badgers to eight points, but that wasn't enough for the Cards. Scoring honors went to Smith, Badger forward, with 18 points.

### Nogales Game

The Cards, after losing to Tucson, traveled to Nogales, where they defeated the Apaches 30 to 26. The teams were evenly matched, with Glendale having a little advantage in height. Once the Cardinals took the lead, they were never overcome.

Led by Johnny Florez, forward, the Cardinals had a 15 to 12 lead at the half. Florez was high point man with a total of 9. Aja and Mayberry did not play because of the North-South game.

### Mesa Game

The Cards traveled to Mesa Friday to play the third conference game of the season. The Jackrabbits were in top form edged the local team out in the last half battle, 36-30.

The 'Rabbits took the lead from the start and kept it until the final whistle. Although Mesa led by 12 points at the half, the Cards came out fighting and climbed to within 3 points at one time. In the last minute, the Jackrabbits scored a field goal and a free throw to hike the breach to 6 points.

Manuel Aja was the game's high scorer with 13 points.

## Harvest Dance Given In Gym; Frost and Dosh Reign

The Harvest Dance, sponsored annually by the Home Ec. and F.F.A. Clubs, was held Friday night, Dec. 6, 1946, in the gym. The dance was given in honor of the Harvest King and Queen, Bobby Dosh and Barbara Frost, and their attendants, Jackie De Bolt, Connie Standiford, Dorothy Hoover, Albert Vizcaya, Eddie Hatton, and Donald Giblin.

The King and Queen were crowned by last year's regents, Ann Sexton and Bill Robinson, following a Grand March led by Bobby and Barbara and their attendants.

The Glendale Cardinals won their second game of the season on the Criminal floor December 14, romping to a lop-sided 53-30 triumph over the Yuma Criminal five. The Yuma team was regarded as a fine team when they outclassed the Gila Bend team. The Cardinals could muster only a 11-8 lead at the end of the first quarter.

The halftime margin favored the Cardinals 24-16 and by the end of the third period the Cards were coasting along with a 40-25 advantage.

Glendale steadily added to its lead throughout the 4th quarter and finished with a 23 point advantage. Coach John Whatley used all of the 9 players he had suited out for the game.

Johnnie Florez led the Cards scoring parade with 13 points, while Manuel Aja, All-State forward was second with 12. Coz and Ellis led the losers with 10 points each.

## Aja, Mayberry Make Republic All-State

Glendale placed two players on the Republic All-State selection, based on a poll of high school coaches and representatives of the University of Arizona and the two state colleges.

Manuel Aja repeated his last year's performance, and was placed in the backfield with Wilford White, Lee Carey, and Gus Headington as the coaches' choice backfield.

Keith Mayberry, lanky six foot, two inch, 185 pound end, was chosen All-State opposite Carlos Lillywhite of Douglas, despite a broken arm received in the first game of the season, which kept him out of play until half of the schedule had passed. Mayberry's performance in the North and South game removed any doubt in the coaches' minds, and apparently made up for his lost time.

Arnold Ong, guard, and Manuel Aja, halfback, made the All State team in the Arizona Daily Star, a similar poll made in Tucson. Keith Mayberry was placed on the second string.

PERSONALITY

If you happen to go to the El Rey Theatre and are treated to up side down scenes you can depend upon it, Mike Eaglin is at the wheel! Projector, that is.

About 17 years ago, July 31, 1929, to be exact, this will-be collegian happened to Starling, Illinois.

There he pursued the rocky parts of knowledge for six years before moving to Arizona to become one of Glendale's "Big Eleven".

Mike hates stubborn women, but says he's just as persistent as any.

His first love is Marion Crouch. (Wonder if she makes that yum-my spaghetti and meat balls he's so fond of?) He likes music and loves to dance.

Mike is noted for his cheerful grin and genial disposition. While he doesn't exactly burn up a classroom, he's still well-liked by all his teachers.

This year Mike, whose real name, by the way, is Raymond, was elected president of the sophomore class.

## WALTER RUTH GUIDES NORTH TO VICTORY

By Manuel Aja, Jr.

Coach Walt Ruth of Glendale was chosen head coach of the North team, in a poll made by coaches from other schools in the northern part of the state. Coach Homer Brown of Jerome was his assistant. Coach Gieseke, Glendale's line coach who has worked with Coach Ruth the past year, was chosen as another assistant.

Coach Ruth was selected for the fine showing his teams made the past two years. This is Coach Ruth's second year of coaching and his team has beaten the best teams in the state. Glendale beat the defending champions, Tucson Badgers, on their own field by the biggest score they have been beaten by this year. Then in the North and South game his team was picked to lose by twenty seven points but he brought up a bunch of green players to the highest spirit a group of boys could have, winning 7-6.

Coach Gieseke worked with the line and got them charging so hard that they pushed the South line all over the field. With a hard charging line and a squad of hard running backs Coach Ruth's team pulled one of the

biggest upsets in football by beating the favored South.

There were boys from all parts of the state playing together and they said that they learned more from coach Ruth in a week than they did in four years. They said Ruth had a good system. The system he uses is the Notre Dame box; lots of power and blocking is needed. Many boys said that they thought Coach Ruth was the best coach they have seen in their high school years.

Walt Ruth was assistant coach at the North and South last year.

HI-LIGHTS WON AN AWARD IN STATE COMPETITION

"Heifers For Relief" Collects About \$120 In Classes and Assembly

In an assembly held Friday, December 13, the F. F. A. took up approximately \$50 more toward the purchase of two heifer for 'Heifers for Relief.'

The F.F.A. boys themselves are donating (\$3) and the Home-Ed club will give about \$7. This, together with the amount, about \$40, taken up in second hour classes on Wednesday, is almost enough to purchase the heifers, since one of them is priced at only \$50, thanks to a local farmer. The 'Heifers for Relief' is sponsored by The Brethren Church in a nationwide endeavor to help the starved children in Europe.

Bulletin Board . . .

(Continued from Page 1)

Crouch, is for the boys taking P.E. and consists of various basketball schedules and Physical Training rules.

The bulletin board is there for a purpose, to help boys who want to know what goes on; so the coaches would appreciate it, if the school's jokers would not use it as a blackboard.

Frish: "May I go out tonight?"

Soph: "May I go out tonight? Be back at ten."

Junior: "I'm going out tonight. Be home early."

Senior: "So long. I'll bring in the milk."

NEW YEAR'S RESOLUTIONS

When pupils and teachers were asked "What is one of your new year's resolutions?", we popped all sorts of answers such as those that follow:

Bill Robinson—Resolves never to be late any more—for Boys' Culture Class.

Mary Lou Pullenza—resolves to be on time for English at least once in '47.

Barbara Woodward—to visit "Litchfield Hill" more often.

Colleen Hurst—resolves to get rid of her silly giggle.

Mike Eaglin—Resolutions? Not a one!

Beaile Aja—resolves to visit "Litchfield Hill" more often.

Helen Joy—resolves to be a bad influence on more people.

Billy Gids—resolves never again to put tacks under anyone.

Isabelle Pendergast—resolves to stop making 5's in Geometry.

Emery Harper—intends to take out more of the beautiful girls in G.U.H.S.

Mae Binkley—resolves to quit cleaning Richard Brook's finger nails in history class.

Ed Casey—resolves not to flirt with any girls—but one.

Peggy Randolph—resolves to leave the bottle alone. (peroxide, that is.)

Abbott Mansfield—resolves to give some of the younger wolves a chance.

Loretta Hedgpath—resolves to leave Aby.

Legrand Lamb—resolves to do much more studying.

Phyllis Snider—resolves not to go steady.

Charles Stewart—resolves to do more ditching in the next quarter, anyway.

Patsy Goodloe—resolves to step out with one guy—and just flirt with the rest.

Weldon Kerns—resolves to leave the women alone—most of them that is.

Mrs. McGowan—resolves to improve her disposition for the benefit of library students.

Patsy Randolph—resolves to learn to swim.

Howard Dick—resolves to get at least two nights sleep a week.

Dorothy Crook—Heavens!

Hi-Y Club Formed Here; Sponsored By Mr. Olsen

Plans for a Hi-Y Club for GUHS are under way and a large turnout is expected by Mr. Olsen, sponsor. The enrollment this year includes freshmen as well as all the other classes. A meeting was held on the West lawn Friday, December 6, to organize the club for the year.

Officers elected were as follows: president, Byard Falls; vice president, Wendell Crow; secretary, Ted Filer; treasurer, Bill Furrey. Approximately 30 boys attended this meeting.

The county Y. M. C. A. is the sponsor of the Hi-Y Club and the club's purpose is to make better contacts for students with their home, school, faculty, and community.

Little Boy: Say mister let me have six of those diapers.

Store Clerk: There you are sonny. That will be nienty cents for the diapers and three cents for the tax.

Little Boy: Don't want no tacks. Me brudder uses safety pins.

ketball.)

Mr. Coghlan—resolves not to eat turkey every day through the new year.

Jackie Pitts—resolves not to forget to remember to do homework.

Mrs. Thomas—only made resolutions when I was young and foolish!

As a boy, I fell in love with the theater and started seeing plays whenever possible. "One thing son, you must never do," my father warned me; "do not go to burlesque shows." I of course asked why. "Because you would see things you shouldn't," father replied.

That settled it; the next time I managed to get the price of admission I went straight to a burlesque show. Father was right; I saw something I shouldn't have seen—My Father.

"Dad, give me a dime."  
"Not today, sonny, not today."  
"I'll tell you what the iceman said to Mom this morning."  
"Here son, quick, what did he say?"  
"He said, 'Lady, how much ice do you want?'"

Letters to Santa

Dearest Santa:  
Please send me a plain clothes detective or a disguise for Christmas so I can keep up my work as the Attendance Officer, because most of the kids in school can recognize me a mile off.  
G. A. Menard

P. S. Please, Santa, my reputation as the shadow is at stake.

Dear Santa:  
I haven't written you for a long time. Since we finally got our cheer leader's uniforms there's not much left to wish for. (ha!) Some peace in the 1st hour history class would sure help. Use your own judgment, but make it good!  
Hopefull yours,  
Ann Sexton

Dear Santa:  
Please bring me a big, handsome, blonde Junior football player. Please—  
Marilyn Pillsbury

Dear Santa:  
If it is possible and if I am not asking too much, please bring me a man that has dark hair and is cave man style. You know what I mean.  
I'll be waiting,  
Peggy Randolph

Dear St. Nick:  
Please send me a big brother with lots of money or just a brother with money. Send him before Christmas 'cause I'm broke. Please send Charlie a car that will run (part of the time at least.)  
Being good,  
Pidgeon

Dear Santa:  
Please bring me a basketball team that keeps in training and doesn't believe in pool halls and

Dear Santa,  
I'm really not very particular about what you bring me for Christmas, but please bring Ann S. a nice, clean joke book.  
Sincerely,  
Jo Ann Moran

Dear Santa,  
Well, it's near Christmas and I've been good all year. Since I've been so good I'd like a '47 Studebaker with a good looking guy sitting in it.  
Yours till I get my gift,  
Nabuko Mitokawa

Dear Santa:  
Please bring me a tall, dark, and handsome assistant—male preferably.  
Coach Swain

Dear Santa,

Santa,  
Be sure and leave a blond, brunette, or even a red head if she is exceptionally cute under my Christmas tree.

## "A FREE COUNTRY"

Too often we hear someone say, "Well, this is a free country. Who is he to - - - -", followed by a striving for something selfish—something often obtainable only at the expense of others. Such people have little understanding of our freedom. They want license, not freedom. They do not realize that our precious liberties were obtained only at terrific cost and that they can be held only in proportion to our defense of them.

So it is with business. Sound policies are just not handed out — they are earned and must be nurtured if they are to live.

We strive constantly to make our policies stand up to the test of time.
